Objective :Data Collector

November 18th, 2020

Dear Sir/Madam,

I have learned about the job opportunity as a **Data**

Collector at Passerelles Numeriques Cambodia, based in Phnom Penh from the rathteka.vanndy@gmail.com. I am very interested in the position because it is a good opportunity for me to bring my knowledge, skills, and experiences to contribute to the organization as well as learning new things and challenges from your organization.

Refer to your requirements; recently, I am studying at PNC (Passerelles Numeriques Cambodia) in the bachelor degree of Tourism and Hospitality Management, year I. As a foundation year student, I enjoy working with group and individual assignment as I got to do lots of research and learn new things. Also learning interpersonal skills to work with various group and cross-cultural people. I am also attending classes at PNC learning information technology computer skills (Microsoft Office, Graphic and Video Design, Media and communication). English skills and soft skills (Time and project management, problem solving, Teamwork, Leadership, communication, and so on). In addition, as a student, I always participate with community social event to ensure that I have built new connection and being a part of positive change.

Being a scholarship student at PNC. I am fully aware and promoting PNC philosophy. I am always taking accountability on what I have done and pay attention to the details. I determine to work hard and succeed in group and individual. I have strong self-discipline and being patient and mindful to get the job done.

Thank you very much for your kind consideration. I look forward to hearing from you in the near future. If there's any further information I can offer please contact me by the phone at 077203982 and email at rathteka.vanndy@gmail.com.

Sincerely,

Vanndy Rathteka
